Question No.12:

Item Rubric (English) :

SAMPLE ANSWER:

Once an honest woodcutter lived in a small village. He would cut trees in the nearby forest. One day, his axe fell into the river while cutting the tree. The river was very deep. He became worried. Suddenly, an angel appeared in front of him and asked what was the problem? The woodcutter explained the problem. The angel put his hand deep into the river and took out a silver and a golden axe and asked, "Are these your axes?" The Woodcutter looked at both the axes and said "No, these are not mine. The angel put his hand into the water again and took out his iron axe and asked, "Is this your axe?" To this, the woodcutter said, "Yes! This is mine! Thank you!" The angel was very impressed with his honesty so he gave him his iron axe and also other two axes as a reward for his honesty.
